

## Playing Time Policy

- Allen HS Boys Lacrosse Club is a competitive club whose vision is to develop student athletes on and off the lacrosse field while pursuing the state championship each season. Athletes, parents, and coaches are expected to work together for the benefit and growth of the athlete and team. Each Athlete is expected to display the team's core values of Focus, Commitment and Determination.
- The coaching staff has full responsibility for an Athletes' game playing time. Every Athlete is assured equal practice time to demonstrate their ability, attitude, conditioning level and skills relevant to the sport of lacrosse. The coaching staff is dedicated to providing playing time to those Athletes who demonstrate the aforementioned characteristics. In addition, the coaching staff is committed to clearly communicating areas of development to earn additional playing time. For the JV team, coaches are to balance the desire to win, with the need to develop players for the future.
- Regarding playing time, the Athletes are encouraged to take responsibility for their individual playing time concerns and questions. As such, Athletes are encouraged to communicate directly with the coaching staff regarding their playing time status and needed development areas. Athletes and/or Parents can request a meeting with the coaching staff to discuss an individual player's performance, areas of improvement and playing time, after waiting for 24 hours after a game.
